WHAT ARE WE LEARNING TODAY?

1. THE SECRET OF COLOURS
2. THE SECRET OF TASTE
3. THE CHOSEN INGREDIENTS OF KYOOR AND THE RELATION WITH TASTE AND COLOURS.
4. THE FABULOUS NUTRIENTS IN EVERY INGREDIENTS OF KYOOR

THE SECRET OF COLOURS

Colour hold significance, symbolism and energy to the whole universe. Nature has provided us with warm and cool colours, beautiful and vibrant colours, in the land and the sea and every colour denotes meaning and purpose.

Colors in nature are often associated with different frequencies of light, and these frequencies can indeed affect energy and perception. The secret of energy for colour in nature lies in the electromagnetic spectrum. Our body and mind responds to different frequencies of light.

THE SECRET OF COLOURS

COLOUR	SYMBOLIZE/ CHARACTER	ENERGY (WAVELENGTH IN NANOMETERS)	EXAMPLE OF SOME TYPES OF NUTRIENTS	BENEFICIAL FOR
RED	GREAT ENERGY, ACTION	620-750	LYCOPENE, VIT C PHYTOCHEMICALS	REDUCE HEART DISEASE, IMMUNE SYSTEM
ORANGE	WARMTH, CREATIVITY, ENTHUSIASM	590 - 620	BETA CAROTENE, VIT C	EYE & SKIN HEALTH
YELLOW	OPTIMISM, JOY, INTELLECTUAL	570 - 590	ANTIOXIDANT & VITAMIN C	IMMUNE SYSTEMS
GREEN	GROWTH, HARMONY, RENEWAL	495 - 570	ZEAXANTHIN, FOLATE, LUTEIN, FOLATE	NEUTRALIZE ACIDITY, ALKALIZING THE BODY
BLUE/PURPLE	LUXURY, CALMNESS	450 - 495	RESVERATROL,	HEART & BRAIN
WHITE	PURITY, SIMPLICITY	PRESENCE OF LIGHT	ALLICIN	BLOOD PRESSURE & CHOLESTEROL
BLACK	ELEGANCE, POWER	ABSENCE OF LIGHT	ANTHOCYANINS	ANTI INFLAMMATORY

THE SECRET OF TASTE

TASTE of a substance can be used to understand its behavior, the moment a substance comes into contact with the tongue. There are six (6) basic taste that are sweet, sour, salty, pungent, astringent and bitter. However in today's modern world there is a taste called Umami, which is described as savoury meaty taste which comes from the glutamate, a type of amino acid. The Umami taste is being used widely in restaurants, fast food and processed food industry which make a lot of people get addicted to it.

The 6 basic taste according to ancient Ayurvedic medicine have their specific roles in the body which help the body get well balanced.

THE SECRET OF TASTE

TASTE	DESCRIPTION	BENEFITS	
SWEET	GLUCOSE FOR ENERGY	PROVIDING THE BODY WITH VITALITY AND ENERGY, AND REJUVENATES THE SKIN AND HAIR.	
SOUR	ACID FOR BREAKING DOWN LARGE & COMPLEX FOOD MOLECULES	KEEPS THE BODY WARM, ENHANCES APPETITE, AND SPEEDS UP DIGESTION. HOWEVER, IT CAN CAUSE INDIGESTION, ULCERS, AND HYPERACIDITY WHEN CONSUMED IN EXCESS.	
SALTY	SODIUM OF ION TO REGULATE & BALANCING	IMPROVES DIGESTION. IT ALSO FACILITATES GROWTH IN THE BODY. HOWEVER, CAN CAUSE WATER RETENTION AND HYPERTENSION WHEN CONSUMED IN LARGE AMOUNTS.	
PUNGENT	COMPOUND THAT STIMULATE SHARP SENSATIONS TO ADD HOTNESS OF HEATINESS	HELPS THE BREAKDOWN OF FAT, AIDS DIGESTION, AND IMPROVES BLOOD CIRCULATION. BUT IN EXCESS, IT CAUSES HEARTBURN, NAUSEA, AND STOMACH IRRITATION.	
ASTRINGENT	TANNINS THAT REDUCE EXCESS LUBRICATION	IT POSSESSES ANTI-INFLAMMATORY PROPERTIES, COOLS THE STOMACH, AND HELPS THE BODY PROPERLY ABSORB NUTRIENTS	
BITTER	ALKALOID, NITROGEN COMPOUND AS DEFENCE MECHANISM AGAINST INGESTION	ENHANCES LIVER FUNCTION, AND STRENGTHENS THE MUSCLES.	

THE CHOSEN INGREDIENT OF KYOOR

INGREDIENT	COLOUR	TASTE	THE DUTY
ASHWAGANDA	DARK	BITTER	THE KING, THE STRENGTHENER
BLACK SEED	BLACK	ASTRINGENT	ANTI-INFLAMATORY, HELP STOMACH TO ABSORB NUTRIENT
HONEY	YELLOW	SWEET	GIVE ENERGY & PROVIDE COMPLETE NUTRITIONS
CITRUS (LEMON, ORANGE, ASC)	YELLOW/ ORANGE	SOUR/SALTY	SPEED UP DIGESTIONS AND FACILITATE GROWTH OF NEW CELLS
MANGO	YELLOW	SWEET/ SOUR	GIVE ENERGY, HELP IMPROVE DIGESTION
MARKISA	RED/YELLOW	SWEET/SOUR	GIVE ENERGY, HELP DIGESTION
IRON	RED	PUNGENT	IMPROVE CIRCULATION

UNDERSTANDING THE CHART

INGREDIENT	COLOUR	TASTE	THE DUTY
ASHWAGANDA	DARK	BITTER	THE KING, THE BODY STRENGTHENER
BLACK SEED	BLACK	ASTRINGENT	ANTI-INFLAMATORY, HELP <u>STOMACH TO ABSORB NUTRIENT</u> ★
HONEY	YELLOW	SWEET	GIVE ENERGY & PROVIDE COMPLETE NUTRITIONS
CITRUS (LEMON, ORANGE, ASC)	YELLOW/ ORANGE	SWEET/SOUR/ SALTY	<u>SPEED UP DIGESTIONS</u> AND FACILITATE GROWTH OF NEW CELLS ★
MANGO, PINEAPPLE	YELLOW	SWEET/ SOUR	GIVE ENERGY, <u>HELP IMPROVE DIGESTION</u> ★
MARKISA	RED/YELLOW	SWEET/SOUR	GIVE ENERGY, <u>HELP DIGESTION</u> ★
IRON	RED	PUNGENT	IMPROVE CIRCULATION ★

The most important message relating to colour and taste is THE DIGESTION SYSTEM is prioritized

LET US UNDERSTAND THE INGREDIENTS ONE BY ONE

IN NUTRITION POINT OF VIEW

THE ASHWAGANDA

1. Reduces stress and anxiety: Ashwagandha is an **adaptogen** that helps the body adapt to physical and emotional stress, reducing anxiety and improving mental well-being, and promote quality sleep.
2. Enhances cognitive function: Research suggests that ashwagandha can improve cognitive functions such as intelligence, memory, and attention.
3. Improves hormonal health: Ashwagandha has been associated with increasing levels of certain hormones such as testosterone in men and prolactin in women, as well as reducing stress hormones like cortisol.

THE BLACK SEED

1. Has strong anti-inflammatory properties: Black seed contains thymoquinone, an active chemical compound studied for its ability to reduce inflammation in the body.
2. Boosts the immune system: Studies suggest that black seed can help enhance the body's immune system, making it more resistant to infections and diseases.
3. Supports heart health: Black seed has been linked to reducing risk factors for heart disease such as high blood pressure and unhealthy cholesterol levels.

THE CITRUS

All citrus are abundant with vitamin C, dietary sugars, dietary fiber, potassium, folate, calcium, thiamin, niacin, vitamin B6, phosphorus, magnesium, copper, riboflavin and pantothenic acid. There are many types of citrus fruits, but In Kyoor we choose **Lemon** and **Orange** due to these additional benefits :

Lemon: It also contains flavonoids such as hesperidin and diosmin, which provide anti-inflammatory benefits and protect cells from free radical damage.

Orange: Oranges contain beta-carotene as the main antioxidant, which is then converted into vitamin A by the body. Additionally, oranges are rich in vitamin C and flavonoids such as hesperidin.

THE SWEET SOUR BUDDY

1. **Mango** contains vitamin C and beta-carotene, but its antioxidant properties also come from phytochemicals such as mangiferin, quercetin, and kaempferol. Mangiferin has been associated with various health benefits including anti-inflammatory effects and protection against heart disease.

2. **Pineapple** contains vitamin C as the main antioxidant. Additionally, it also contains **bromelain**, a type of **proteolytic enzyme** that has anti-inflammatory and digestive properties

THE PASSION FRUIT - MARKISA

Passion fruit is rich in vitamin C and A as the main antioxidants. It also contains flavonoids such as quercetin, kaempferol, and luteolin, which have anti-inflammatory and anti-cancer properties. It also helps improve insulin sensitivity, which is a great help to control blood sugar in diabetic patients.

HONEY - THE COMPLETE NUTRITION

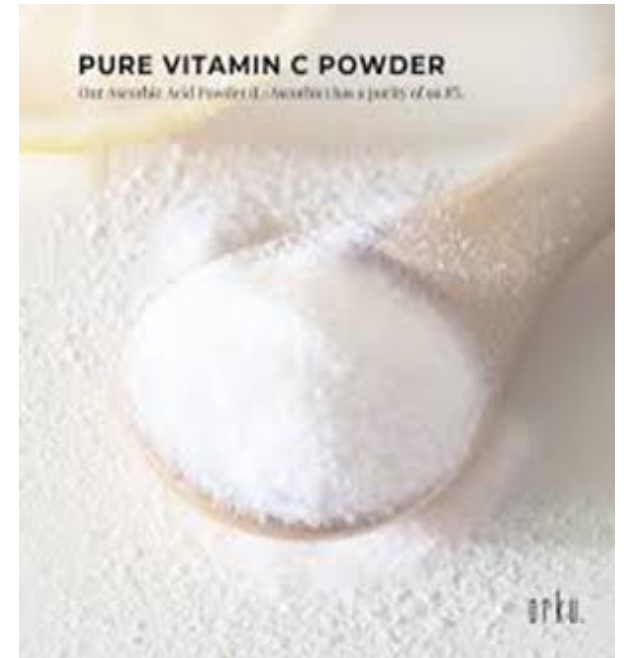

Honey is the most complete food for all humankind. It gives energy as it contained fermented glucose and fructose. Honey contains all necessary vitamins, proteins, minerals, and enzymes. Honey are superb properties as an antioxidant, anti-inflammatory, antibacterial, antidiabetic. Honey helps protect the body systems especially respiratory, gastrointestinal, cardiovascular, and nervous system.

WHY ARE WE ADDING ASCORBIC ACID IN KYOOR?

Ascorbic acid or pure vitamin C powder is added in Kyoor first and foremost for IRON DIGESTION. Without Ascorbic Acid the digestion of Iron will not be effective.

Ascorbic Acid is also used as a bonus due to the various health and beauty benefits it such as :

1. Stimulates collagen synthesis: Vitamin C is essential for collagen formation, a type of structural protein crucial for skin health. By enhancing collagen synthesis, vitamin C can help improve skin firmness and elasticity.
2. Brightens skin: Topical use of vitamin C has been associated with reducing skin pigmentation and fading dark spots, making the skin appear brighter and more radiant.
3. Anti-inflammatory: Vitamin C has anti-inflammatory properties that help reduce inflammation on the skin and treat acne or other skin issues.

THE IMPORTANCE OF IRON

A minute of ferrous gluconate

Iron is a mineral needed for the formation of hemoglobin in red blood cells, which plays a role in transporting oxygen from the lungs to the entire body. Without enough iron, a person may experience anemia or oxygen deficiency in the body.

In order to ensure the absorption of iron is good, do not drink any caffeine (tea or coffee) and high calcium drink such as milk, when you are taking Kyoor, (at least 1 hour).

THANK YOU
